

Invitation to bid cable car in Guatemala (Expression of interest stage)

Newsletter # 44 / February 2018

The **Municipal Council of the Municipality of Mixco** (department of Guatemala) is inviting entities interested in the design, construction, installation, manufacturing, operation and maintenance of one or more potential public transportation corridors through cable car.

Some of the features of the project are the following ones:

| | |
|-----------------------------------|---|
| Title | Concession that includes: "Design, manufacture, operation and maintenance of one or more public transportation corridors through cable car in the Municipality of Mixco". <i>The concession must be self-sustainable</i> |
| Name | Potential public transportation corridors through cable car. |
| Granting entity | Municipality of Mixco |
| Sector | Massive Public Passenger Service Transportation Through Cable Car |
| Activity | Public Transportation |
| Products | One or more potential public transportation corridors through cable car |
| Place | Municipality of Mixco. In the case of corridors that surpass the jurisdiction of the municipality, the corresponding association with the municipalities involved shall be created upon determining its feasibility |
| Country | Guatemala |
| Department | Guatemala |
| Municipality | Mixco |
| Term of the concession | 25 years (extendable). |
| Term of the execution of the work | From 24 to 30 months. |

The process shall be conducted as a public bid. It is currently in the "Expression of Interest" stage.

Please note that the deadline to present the expressions of interest is March 21, 2018 before noon.
